Re: Grant #2443

Dear Dr. Sweetser:

As indicated in my letter to you earlier this year, The Council approved a contribution of \$1,000.00 for partial support of the 1989 Graduate Student Symposium "Pathogen Strategies: Evasion and Suppression of the Immune System" to be held in Boulder, CO, March 3-5, 1989. A check for that amount is enclosed with this letter. Someone from The Council will contact you later concerning who will represent us at the Symposium. We are looking forward to an interesting and informative conference.

Sincerely,

Harmon C. McAllister
